

GET THE MOST OUT OF EVERY DOLLAR

The HealthEquity® Health Savings Account (HSA)

An HSA is the tax-free way to save for qualified health care expenses. You own the account. Balances roll over year after year, growing tax-free. You never lose your contributions to your HSA—unlike other health accounts such as a flexible spending account (FSA).

Get the Most...

Tax Savings—Reduce income taxes with pre-tax contributions via payroll deductions or contribute directly and take a tax deduction up to 100% of your contribution.
