

Life Insurance

Offering Group Life Insurance to your employees may not be enough to fully protect their loved ones in their absence. An individual life policy can increase the overall benefit amount while giving them a policy that they own. American Fidelity offers policies designed for your employees, spouses, and children – making it convenient for them to provide life insurance protection for their entire family. Only three health questions are required to issue coverage, and your employees don't have to participate in any medical exams.

Term Life Insurance

Often, your employees need life insurance coverage to help during a specific period when their expenses are usually at their highest. Making sure everyday living expenses, like home ownership and college tuition, are covered in their absence is paramount. With a Term Life insurance policy, your employees will have the ability to customize the plan that works best for their situation.

Whole Life Insurance

Whole Life insurance provides your employees a life insurance benefit to age 121 and will provide a cash benefit at time of maturity. There are also options for loans and partial surrender if needed. The cash value allows your employee the flexibility to stop paying premiums and still have some life insurance coverage in force.

Highlights

Interim Coverage*

Death Benefit coverage is issued immediately after the life insurance application has been signed and underwriting guidelines have been met.

Level Premium

American Fidelity's Term Life and Whole Life Premium rates are locked in at the time of purchase, and will not increase for the duration of the policy term.

Guaranteed Renewable

Our term life policies are guaranteed renewable, which means your employees can renew for another term period without reapplying. The renewal premium is subject to increase.

Interim coverage for death will be in force from the date your application is signed if on such date the proposed insured is insurable per our underwriting guidelines for the requested coverage in accordance with the terms of the policy. This interim coverage for death will remain in force until the earlier of: 1) the date a policy becomes effective; 2) the date we decline the application; or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or Spouse/Civil Union Partner must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. **Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider (Term Life Only). No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, Accelerated Benefit Rider for Critical Illness (Whole Life Only) or Accelerated Benefit Rider for Long Term Illness (30YR Term Life and Whole Life Only). This product may contain limitations, exclusions, and waiting periods. Not generally qualified benefits under Section 125 Plans.*⁺

Why Term Life Insurance

Life insurance is an important piece of a strong financial plan. While there is no complete replacement for the loss of a loved one, American Fidelity Assurance Company's Term Life Insurance can help protect your family in your absence. It provides short-term coverage at a very competitive price. For those on a limited budget, Term Life Insurance can help fill temporary needs.

62% of adults in the United States have no individual life insurance.¹

Did You Know?

Almost **2 out of 3** people say the life insurance they receive from their employer is not enough.²

Life insurance provided by your employer is an important benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy can help supplement your existing coverage and can assist in meeting financial demands, should you need it. Plus, this is an individual policy which means you own it and can take it with you to a different job or in retirement.

Financial Protection for You

American Fidelity's Term Life Insurance is a great option for your working and earning years when expenses are usually at their highest.

With our term life insurance, premiums will remain the same for the initial term period selected.³ The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

Why You Need Individual Whole Life Insurance

It's important to prepare for the unexpected and help ensure your loved ones will be financially protected in the event of a tragedy. Your life insurance benefit can help replace your income and help your family meet important financial needs like funeral expenses, everyday living costs, and college.

American Fidelity Assurance Company's Whole Life Insurance provides protection for your entire life. It's an individual policy, which means you own it and can take it with you when you leave employment or when you retire to age 121. The premium and amount of protection stay the same as long as the policy is in force, provided premiums are paid as required.

Flexibility When You Need It

By choosing a Whole Life Policy, you have flexibility to adjust your benefits when needed. Cash value flexibility features include:

- Take a **Cash Surrender** and terminate your Policy. With this option, you will receive a check equal to your plan's current available cash value. In many situations, cash surrenders may be paid tax free.¹
- **Partial Surrender:** You can withdraw a small portion of the policy's cash value in the form of cash, in exchange for a proportional reduction to the policy's available cash value and the face amount.
- **Loans:** You can borrow against your cash value at a competitive 8% loan interest rate.

Discontinue Your Premium While Keeping Your Coverage Active

- Same Amount of Coverage - Shorter Length of Time: Under the **Extended Term Insurance** provision, your policy's original face amount (minus outstanding loans or accelerated benefit payments) will now only be guaranteed for a specific term of time. In addition, your premium is "paid in full" until your new extended term period expires, terminating your policy.
- Coverage to Age 121 - Smaller Guaranteed Benefit Amount. You may rest easy knowing you are covered for your entire life by utilizing the **Reduced Paid-Up Provision** and reducing your original death benefit to a smaller amount. Enjoy being premium-free while having the security of guaranteed lifetime coverage, just at a reduced benefit amount. Plus your cash value will continue to accumulate.

Three Easy Steps to Get Covered

2

Answer Three Health Questions²

There's no worry of participating in any invasive medical exams.

3

Get Death Benefit Coverage Immediately³

Your death benefit coverage starts when you sign the application.

¹As long as the cash surrender does not exceed the total premiums received under the policy since inception. Please consult your tax consultant for your specific situation. ²Issuance of the policy may depend on the answer to these questions. ³Interim coverage for death will be in force from the date your application is signed if on such date the proposed insured is insurable per our underwriting guidelines for the requested coverage in accordance with the terms of the policy. This interim coverage for death will remain in force until the earlier of: 1) the date a policy becomes effective; 2) the date we decline the application; or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy and Children's Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit for Critical Illness Rider.

The policy and/or rider you are applying for has an Accelerated Benefit provision. The provision allows a portion of the death benefits to be advanced if certain conditions are met. Please see policy/rider for conditions and definitions, as applicable.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The minimum Accelerated Benefit available is \$5,000. The maximums vary by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
 - 1) Accelerated Benefit for Critical Illness, if this optional rider is attached to the policy;

- Additional limitations and exclusions may apply, please read your policy/rider carefully.

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract: Upon payment of the Accelerated Benefit, the policy/rider will remain in force. Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option, any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued. More than one Accelerated Benefit election may be made under the policy. Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us. Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans. Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment. **This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.**

Accelerated Benefit for Critical Illness (optional rider)

MANY SERIOUS CONDITIONS FOR WHICH YOU MIGHT EXPECT TO RECEIVE BENEFITS MAY NOT BE COVERED BY THIS RIDER. THEREFORE, IT IS IMPORTANT THAT YOU READ THE DEFINITIONS IN YOUR RIDER CAREFULLY.

Prior to the payment of any Accelerated Benefit, the Insured must have a Critical Illness, which means a Heart Attack, Permanent Damage Due To A Stroke, Invasive Cancer, Major Organ Failure, or End State Renal Failure for which an Occurrence Date is confirmed by a Physician. The maximum payable is the lesser of 25% of the Eligible Proceeds, or \$50,000 if you are under age 65; or 15% of the eligible proceeds, or \$25,000 if you are age 65 or older.

Premium is required to keep this rider in force. Payment of an Accelerated Benefit for Critical Illness, if elected, will have the following effect on your contract: Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due. Only one Accelerated Benefit election will be made under the rider even if the Owner does not elect the full acceleration amount. Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit. Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated. Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment. **The Accelerated Benefit will reduce the Benefit Amount and will be applied immediately upon acceleration.**
